STOLEN!!

This saddle was stolen along with our 2 horse trailer between Thursday July 17 and Saturday July 19, 2008. Stolen from the Kentucky Horse Park in Lexington, KY. **REWARD OFFERED.** Look closely, this saddle is distinctive!

Saddle is older and has a very shallow 14" seat.

It is a "longhorn" brand, but tag may have been removed to make saddle more difficult to ID.

Saddle has not-quite-floral but very "girly" tooling. VERY distinctive.

This saddle has a very low resale value, but has immeasurable sentimental value to me. Please contact me if you have any information!

At the time of theft it was attached to a white string with pink contrast girth & was stolen with a pink/black saddle blanket

REWARD!

If you have info please contact the KY Horse Park police at 859-259-4250 or Lindsay at Noblewood Bashkir Curlies at 417-317-3235 or lin@curlyfarm.com
